QUEENS AREA GROUPS DO LISTEN!

Our recent open letter to Queens AA Groups and members appealing for financial and service support, resulted in a generous response. At the September Delegates Meeting, the QIAA Treasurer reported that our deficit for the year was decreasing but he cautioned that a "break even" by year's end was contingent on Queens Groups continuing to make donations to "their" Intergroup. As for service, the Day and Night Phone Coordinators reported some progress in filling the open phone slots that are currently being filled by the Coordinators themselves, QIAA officers and volunteers doing double-duty. The day phones have improved, nights have several openings. We can only ask Queens AA members to remember what it was like for them when they came to at three A.M. Volunteer for phones at 917-875-9336. It's your Intergroup.
